---	---

Directions For Use:

	<p>Usage: Ready to use - can mix with paint remaining in the spray gun in the ratio of 1:1.</p> <p>Application: Spray one light coat over the overspray area with Thinner SRA right after the finish. Second coat in 20 seconds.</p>
---	--

Additional Information

Storage:	Store in a cool dry place. Always replace the lid securely after use.
Shelf Life:	<p>Shelf Life is up to 48 months if unopened and stored in a cool dry place (below 20°C). Shelf life is an optimal guide and the product is manufactured and tested to exceed shelf life recommendations, avoid ambient temperatures above 20 and exposure to direct sunlight which are amongst common factors that will diminish storage shelf life. Contact the distributor or manufacturer if requiring further advice.</p> <p>If stored correctly, it can be used for up to 12 months from opening the original seal</p>
Packaging:	1L*12 cans per box
